WHY A NEW FACILITY?

- We're the only licensed CBAS in two counties and have a waiting list of 30+ people
- Without the SMWC, these loved ones would likely be moved to a "skilled nursing" facility at three times the cost
- We need a permanent home

THE NEW SMWC WILL

- Increase our capacity from 60 to 100 daily participants
- Expand the Dedicated Alzheimer's Program
- Expand our Services
- Meet a Growing Need in our Community

Services: Nursing • Therapeutic • Health and Social • Alzheimer's Program
